

# SUPPLEMENTAL DISABILITY INSURANCE PROGRAM FOR FEDERAL EMPLOYEES

## FILLING THE GAPS IN YOUR BENEFITS

The bills don't stop just because a serious illness or injury makes you unable to work.  
Help protect your paycheck, your pension and your future.

Through FedAdvantage, you now have access to short-term disability, long-term disability or both plans from MetLife to fill the gaps left by paid leave and Disability Retirement to provide income through all phases of a disabling illness or accident. Protection has never been easier.

- Affordable - Premiums are based on group rates
- Convenient - Paid through salary allotment
- Open Access - Enrollment is open to all active civilian federal employees
- Guaranteed Acceptance Basis - No medical evidence required

Federal employees do not have short or long-term disability as part of their employer sponsored benefit programs. As a result, you may not be adequately protected.

Learn how the program can help you.

- Bridge your income from when your leave stops until you are approved for disability retirement
- Supplement your Disability Retirement income
- Get you back on your feet and back to work through rehabilitation and return-to-work services
